Re: Otto v. Gannett Satellite Information Network, LLC, 1:18-cv-2539 (JFK)

Dear Judge Keenan:

We represent Plaintiff Jonathan Otto in the above-captioned case and write to respectfully request that the Court reschedule a Rule 16 conference at the Court's convenience.

By way of background, the complaint was filed on March 21, 2018. On June 8, 2018, Defendant filed a motion to dismiss pursuant to Rule 12(b)(6). [Dkt. # 15] Plaintiff then amended his complaint as of right on June 29. [Dkt. # 18] On July 13, 2018, Defendant answered the amended complaint (rather than renewing its Rule 12 motion). [Dkt. #19]

While Defendant's Rule 12 motion was pending, the Court cancelled the initial case management conference. [Dkt. #16] However, now that the Rule 12 motion is moot, the parties seek to move forward with an initial case management conference and discovery. Defendant consents to the requested relief.

Respectfully Submitted,

James H. Freeman

Counsel for Plaintiff Jonathan Otto

Both parties consenting, the initial conference in this case is set for October 3, 2018 at 11 a.m., 500 Pearl St, Courtroom 20C.

SO ORDERED.
